D-CHAIR

Experience the sensation
of lightness

“

Mutual trust and understanding led to working together on another ambitious project. We aimed to create an iconic chair that would be in keeping with NARBUTAS' design motto of 'Nothing unnecessary', from the headrest to the castors.

“

We wanted a linear, continuous and simple structure. We were inspired by herons flying lightly above the water and resting on it. We thought of bamboo reeds, so slender and so strong in the wind.
