# OFY

Exceptionally cosy design  
embracing office spaces

OFY

# Alegre Design

The creative philosophy of the studio is to inspire change through innovations and design, think and create not only what is expected today but also anticipate what people will need in the nearest future.

OFY

# Concept inspired by the resimericial design trend

OFY is a wide collection of chairs with an exceptionally cosy design

OFY

# The chair collection consists of

**Executive chairs**

**Task chairs**

**Visitor chairs**

## Key features of the OFY chairs:

- Exceptionally cosy design.
- Wide range of applications in the office.
- Meet the most important ergonomic needs.

Exceptionally cosy design

OFY

# Cosiness through synthesis of design elements

OFY

Recognisable collection thanks to its unique backrest frame

OFY

Frame, armrests and base form a seamless look

Wide range of applications in  
the office

OFY

# The chair that flows through any space

OFY

OFY

OFY

Meeting the most important  
ergonomic needs

# Easy adjustment of the task chair

- Adjustable lumbar support;
- Seat depth adjustment;
- 1D/3D adjustable armrests;
- Synchronous mechanism;
- Weight-sensitive mechanism.

OFY

# Prioritising health and comfort

- Synchronous mechanism that automatically adjusts to the body weight.
- Fixed or depth-adjustable seat.
- Five lockable backrest positions.

OFY

# Subtly integrated adjustable lumbar support

OFY

For the comfort of  
office visitors and  
meeting participants

The tilt mechanism ensures  
easy and comfortable  
reclining and the backrest's  
smooth return to the vertical  
position when the user does  
not lean back or stands up.

OFY

# Armrests with different designs and functionalities

**Non-adjustable**

**Non-adjustable**

**Adjustable 1D/3D**

Sustainability

# Green facts

## Certified upholsteries

- All of the upholsteries we use are certified according to environmental certifications – the Oeko-Tex Standard 100 and EU Ecolabel.

## Sustainable product end-of-life management

- Up to 90% of the chair's components can be disassembled, sorted and recycled.

Range

Chair	Frame colour	Base	Lumbar support	Armrests (optional)	Castors
 <p>Executive chairs</p>		 <p>Plastic five star</p>  <p>Cast polished aluminium five star</p>	 <p>With integrated back support</p>	 <p>Integrated</p>  <p>Fixed</p>	<p><b>With brakes</b></p>   <p>For soft floors      For hard floors</p>
 <p>Task chairs</p>  <p>Low-back task chairs</p>				 <p>Plastic five star</p>  <p>Cast polished aluminium five star</p>	

Chair	Frame colour	Base	Lumbar support	Armrests (optional)	Castors
		 <p>Powder-coated pyramid-shaped aluminium base</p>		 <p>Integrated</p>	<p><b>Glides</b></p>  <p>For soft floors    For hard floors</p>
 <p>Visitor and conference chairs</p>		 <p>Powder-coated pyramid-shaped aluminium base</p>	<p>Without integrated back support</p>	 <p>Fixed</p>	<p><b>Without brakes</b></p>  <p>For soft floors    For hard floors</p>

OFY

“

OFY stands for ‘Only For You’. When designing the chair, we tried to ensure that it could be used by different companies in different architectural spaces and that each employee could have ‘their own’ chair.

Marcelo Alegre
