## Assessment regarding work tables according to EN 527-2:2016+A1:2019

(1 appendix)

**Customer:** Narbutas International, UAB

**Object/ID:** Desktop/Active DTJ101 (three level column)  
Variants and sizes included in the assessment are listed appendix 1

**Assessment according to:** EN 527-1:2011 Office furniture - Work tables and desks – Dimensions  
EN 527-2:2016+A1:2019 Office furniture - Work tables - Safety, strength and durability requirements

**Assessment based on:** RISE report 1228726A, dated 2023-12-06

**Assessment:** All desktops listed in Appendix 1 are assessed to meet the requirements for strength and safety according to EN 527-2:2016+A1:2019  
All desktops listed in Appendix 1 with a minimum depth of 800 mm and a minimum width of 1600 mm are assessed to meet the dimensional requirements according to EN 527-1 Type A Sit/stand

**Reservation:** Design, material qualities, dimensions and other characteristics, which may affect the test results, must be identical to the tested object

Appendix 1

**Variants and sizes included in the assessment**

The following tabletops used in combination with desktop Active DJT101 (three level column) are assessed to meet the requirements for strength and safety according to EN 527-2

Tabletops with a minimum depth of 800 mm and a minimum width of 1600 mm are assessed to meet the dimensional requirements according to EN 527-1 Type A Sit/stand

Table 1

| Tabletop | Description                                                                                                              | Dimensions, mm |       |        | Item   |
|----------|--------------------------------------------------------------------------------------------------------------------------|----------------|-------|--------|--------|
|          |                                                                                                                          | Width          | Depth | Height |        |
|          | Desktop, made from 25mm thickness finished particle board.                                                               | 1000           | 700   | 25     | DJP100 |
|          |                                                                                                                          | 1000           | 800   | 25     | DJP101 |
