POLYTONE-L

Conference table

Fixed cushion

Connectors

Trolley

POLYTONE-O

A stylish office for any weather

reddot award 2017
winner

Two models – large potential for adaptability

The most popular colour versions are made of 100% recycled plastic
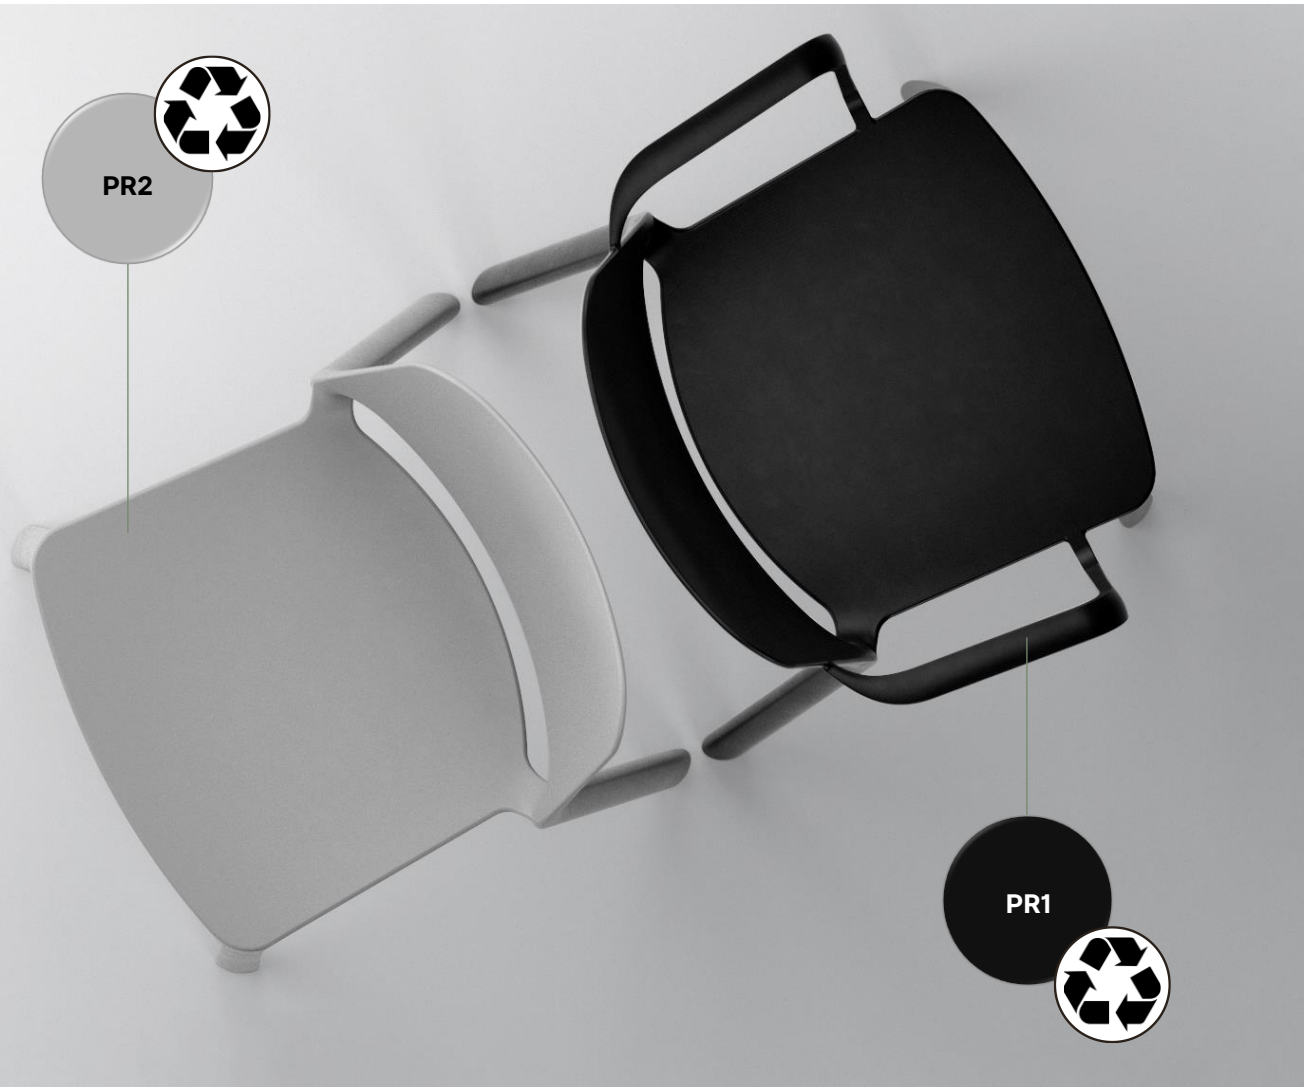

Recycled plastic...

- is fully environmentally sustainable polypropylene.

- is formed entirely from a mixture of reused materials: approx. 50% industrial and 50% consumer waste (textile products, packaging, and children's toys).

- is carefully treated and reinforced with fiberglass.

- has the same functional and water resistance properties as the new plastic.
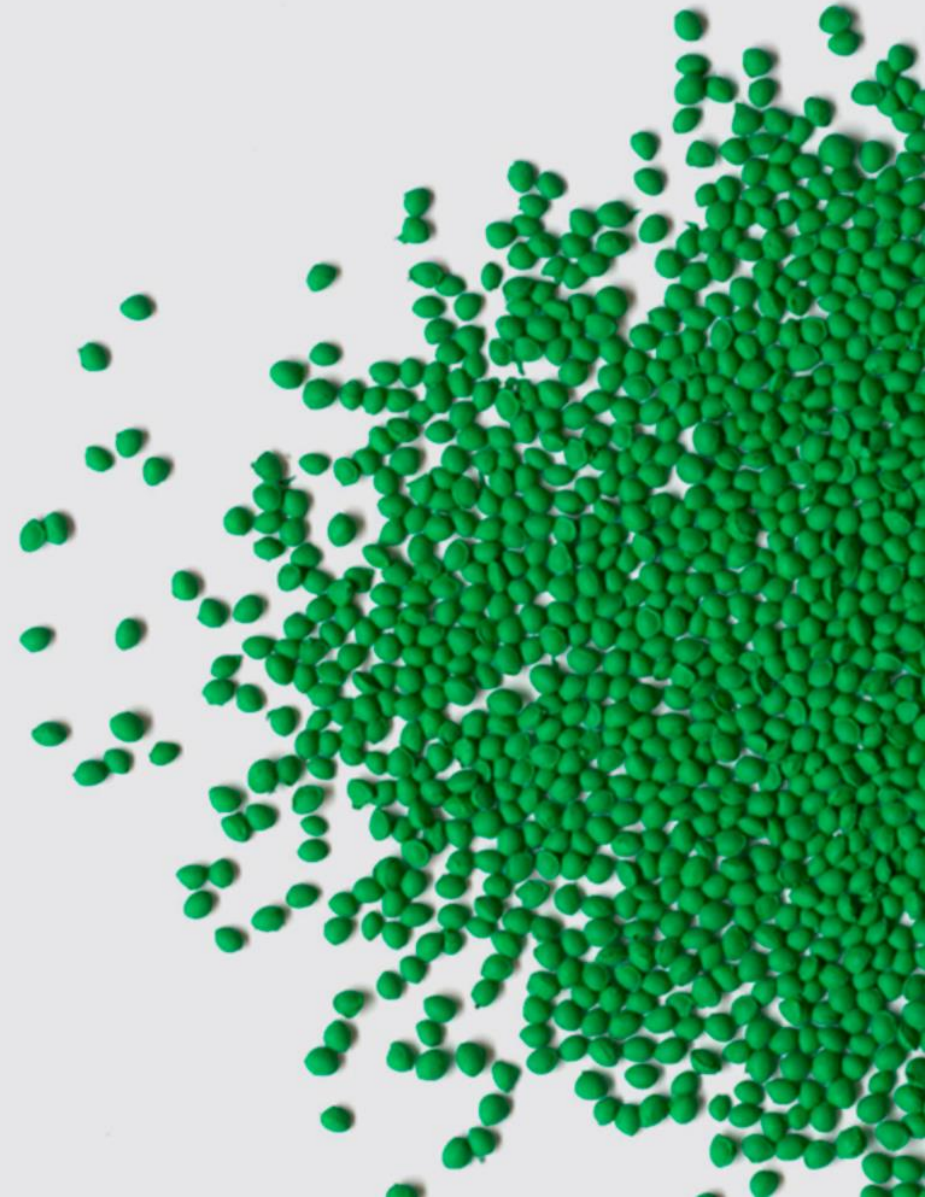

POLYTONE

A modern work environment is more than just a comfortable and ergonomic personal workstation.
It encompasses a wide range of different activities which revolve around a practical, functional and stylish chair.

Plastic chairs designed for a modern rhythm of work
