MODUS

Acoustic desk screens will offer both privacy and sound absorption sheltering users from general office noise.

Personalised colour combinations

MODUS acoustic screens are two-sided so you can combine two different colours for a personalised look. This is an easy way to create your own individual workspace which will fit harmoniously with your company's style and your office interior design.

For single desks

Features

- Provide Class C sound absorption;
- Height can be adjusted easily by releasing and tightening metal holders;
- Designed for ACTIVE, ONE, ONE H, EASY, T-EASY, NOVA A and MOTION single desks.

For MOTION bench desks

Features

- Provide Class C sound absorption;
- Screens have a fixed height thus they will ensure a uniform look of the workspace;
- Designed for MOTION bench desks.
